

VYBE Founding Business Partner

Partner early with a community-first creator platform.

Why VYBE

VYBE is building the place where relationships continue after discovery. Creators build communities, supporters participate, and businesses become visible partners.

Founding Business Preview

A curated 60-day pilot with one active campaign, one spotlight opportunity, campaign planning support, and a verified activity report. The preview is currently free.

Founding Business Partner

\$499 for one year. Includes up to two active campaigns, two spotlight opportunities, one sponsored experience, partner profile visibility, and campaign reporting.

What early partners gain

- [] Early positioning before the VYBE business network becomes crowded.
- [] Direct input into practical business and creator collaboration tools.
- [] Clear sponsored disclosure, controlled approvals, and verified reporting.
- [] Founding recognition while eligibility and partner standing remain active.

Important

VYBE does not guarantee impressions, clicks, sales, creator acceptance, or audience size. Early campaigns are curated and supported manually while delivery automation expands.

Next step

Complete the partner application and qualification review with VYBE.
