

# Case Study Approval

Permission to describe a completed VYBE partnership.

## Proposed use

- ☐ VYBE may identify the participating business by approved public name and logo.
- ☐ Only approved campaign facts and verified activity totals may be published.
- ☐ Confidential information, private contacts, and unsupported claims remain excluded.
- ☐ The business may approve the final case-study draft before publication.

## Permission

|                          |                                                                                                                                          |
