

VYBE Partner Brand Use Guide

Quick rules for respectful, consistent co-branded materials.

Approved positioning

Use community-first language such as Where Music Becomes Community, Own Your VYBE, and Platforms rent attention. VYBE builds relationships.

Visual direction

- [] Primary palette: near black, electric purple, neon blue, vibrant cyan, white, and supporting gray.
- [] Use premium, minimal layouts with large typography, soft glows, waveforms, and chrome accents.
- [] Preserve clear space around the VYBE mark and use only approved logo files.
- [] Keep sponsored disclosures visible and readable.

Do not

- [] Alter, stretch, recolor, rotate, or rebuild the VYBE logo.
- [] Imply endorsement beyond the approved partnership.
- [] Use fear-based, negative, or competitor-attacking language.
- [] Publish co-branded material before approval.

Approval contact

Submit proposed co-branded materials through the VYBE Partner Center.
